CARES is a support group for those who have experienced the loss of a baby through miscarriage, ectopic pregnancy, stillbirth, or early infant death.

CARES offer parents the opportunity to express their thoughts and feelings in an accepting atmosphere.

During support group meetings, participants are given time to share their experiences, express their pain and grief, and respond to other parents. Active participation at the meetings is not required. Participants may simply listen if they choose. The support group offers understanding and acceptance to parents throughout the grieving process.

Meetings Every Other Month

Meetings are held on the first Thursday of every other month. (This includes the months of January, March, May, July, September and November.) The meetings start at 7:30 pm. Locations vary. Contact us for more information.

Memorial Services

Twice a year, memorial services are held at 7 pm in the Chapel of Our Lady of Perpetual Help at St. Peter’s Hospital. The chapel is located on the hospital’s ground floor, between the Emergency Department and the hospital’s Main Entrance.

Services are held on the first Thursday of May and November.

How To Contact Us

If you have questions or would like more information, please call (518) 525-1388.
