About Us
St. Peter’s Health Partners was created in 2011 through the merger of Northeast Health, St. Peter’s Health Care Services and Seton Health. Today, St. Peter’s Health Partners employs more than 12,500 individuals at more than 185 locations.

As the region’s largest and most comprehensive network of high-quality, advanced medical care, primary care, rehabilitation and senior services, St. Peter’s Health Partners cares for more people in more places than any other health care system in the greater Capital Region.

Mission
We, St. Peter’s Health Partners and Trinity Health, serve together in the spirit of the gospel as a compassionate and transforming healing presence within our communities. Founded in community-based legacies of compassionate healing, we provide the highest quality comprehensive continuum of integrated health care, supportive housing and community services, especially for the needy and vulnerable.
