PACE and Your Medical Care

When you enroll in Eddy SeniorCare’s PACE program, all medically necessary care and services are coordinated and arranged by the program.

Your primary care provider is David L. Herman, MD

Eddy SeniorCare employs professional staff to serve as your multidisciplinary care team and contracts out specialty, sub-specialty and ancillary services using a network of covered providers. This directory provides a list of Eddy SeniorCare contracted providers. All providers found within this document accept PACE participants and their services are paid for by Eddy SeniorCare. Provider names, phone numbers and office locations are included in this directory. The use of providers outside of the PACE care team or this directory are at the discretion of the program’s Medical Director.

Special focus has been given to develop a network that is geographically similar to the service area of Eddy SeniorCare which includes the following zip codes in Albany County: 12047, 12110, 12183, 12189, 12202, 12203, 12204, 12205, 12206, 12207, 12209, 12210 or 12211 and Rensselaer counties; 12061, 12144, 12180 south of Route 278, or 12182 South/West of Irish Road.

Prior Authorization/Notification

Services received by providers in this directory must be pre-approved by Eddy SeniorCare. If a participant uses a provider outside of the directory or without the approval by the program, the participant may be liable for any charges or costs. In the event that a participant receives a bill from one of these providers, participants are asked to not pay the bill, but submit it to Eddy SeniorCare for processing and determination of participant liability if applicable.

Out of Area Coverage and Emergency Coverage

If you travel outside of our service area, the only health care service you are covered for is for a medical emergency. If you have a medical emergency at home or away from home you should get medical help immediately, by calling 911 or going directly to the nearest hospital. In an emergency, you do not need any permission or prior authorization to receive necessary care. If you have any questions about out of area or emergency care, please call Eddy SeniorCare at (518) 213-7526 and ask to speak with your social worker.
