Visitation Policy

Sunnyview Rehabilitation Hospital
1270 Belmont Avenue
Schenectady, NY 12308
518-382-4500

**Hours:**

12:00 pm – 8:00 pm
7 days a week, including holidays

Visitors are limited to ONE unique visitor determined at the time of admission.

All visitors will be asked to show ID and screened upon entering hospital. This will include a touch-free temperature check.

Visitors must adhere to NYS Department of Health requirements:

- Proper hand hygiene and use of personal protective equipment (information will be provided upon arrival).
- Appropriate placement and wearing of a face mask AT ALL TIMES while in the facilities.

These guidelines are effective 8/16/21.
Sunnyview Rehabilitation Hospital Visitation Program  (Updated 8/16/2021)

• Visitors are limited to one unique visitor determined at the time of admission.
• Visitors must comply with all state/federal regulations regarding restrictions, screening and mask use.
• Do not visit if you are ill.
• Please listen carefully for the overhead announcements alerting you to the conclusion of visiting hours. The facility doors will be locked at 8:00 pm.
• Minors under 12 are not permitted to visit. For the safety and comfort of all patients, minors must be accompanied by and supervised by an adult 18 years of age or older. Exceptions may be made after discussion with clinical team.
• If any patient’s care needs require it, a strict limitation of visitors will be enforced with a sign posted at the patient’s door to alert staff, family, and other visitors.
• Families wishing to have larger visitor groups can make arrangements for an appropriate visitation space with the patient’s assigned Social Worker.
• Due to limitations of space and distractibility of patients, visitor therapy observation and participation will be restricted based on the therapist’s discretion.
• Primary caregivers are encouraged to visit and participate in therapy when invited by the treating therapist or other member of the clinical care team. Formal family teaching sessions will be scheduled through the patient’s assigned Social Worker.
• Children are not permitted in the therapy areas.
• We do not accept any responsibility for visitor and/or patient valuables.
• Visitors are required to follow staff’s instructions during hospital emergencies.
• Any visitor suspected of or visibly using alcohol or illicit substances will be immediately removed from the facility.
• Any unruly or inappropriate behavior will result in Sunnyview contacting the authorities for assistance in removal of the disruptive visitor.
• It is the responsibility of all staff and visitors to monitor safety. All safety concerns must be reported immediately to a manager or supervisor.
• If the family member wished to take the patient off the unit, they must stop at nurses station.
• Visitation may be limited during other times when deemed necessary by administration.
• Failure to comply with any of these guidelines will result in visitation privileges being revoked.

If you have any questions about Sunnyview’s Rooming-In or Guest Accommodations policies, please contact the Social Work Department at 382-4516.
How to Safely Wear and Take Off a Cloth Face Covering

WEAR YOUR FACE COVERING CORRECTLY
- Wash your hands before putting on your face covering
- Put it over your nose and mouth and secure it under your chin
- Try to fit it snugly against the sides of your face
- Make sure you can breathe easily
- Do not place a mask on a child younger than 2

USE THE FACE COVERING TO HELP PROTECT OTHERS
- Wear a face covering to help protect others in case you’re infected but don’t have symptoms
- Keep the covering on your face the entire time you’re in public
- Don’t put the covering around your neck or up on your forehead
- Don’t touch the face covering, and, if you do, clean your hands

FOLLOW EVERYDAY HEALTH HABITS
- Stay at least 6 feet away from others
- Avoid contact with people who are sick
- Wash your hands often, with soap and water, for at least 20 seconds each time
- Use hand sanitizer if soap and water are not available

TAKE OFF YOUR CLOTH FACE COVERING CAREFULLY, WHEN YOU’RE HOME
- Untie the strings behind your head or stretch the ear loops
- Handle only by the ear loops or ties
- Fold outside corners together
- Place covering in the washing machine
- Wash your hands with soap and water

Cloth face coverings are not surgical masks or N-95 respirators, both of which should be saved for health care workers and other medical first responders.

For instructions on making a cloth face covering, see: cdc.gov/coronavirus
WASH YOUR HANDS!

1. Wet
2. Get Soap
3. Scrub
4. Rinse
5. Dry
