

Magnet Recognition

PUBLIC NOTICE **ANCC Magnet Recognition Program®** **Site Visit**

The ANCC Magnet Recognition Program® is the highest credential a healthcare organization can achieve. A Magnet designation indicates to patients and the public that these organizations have met the most stringent, evidence-based standards of nursing excellence in patient care delivery.

St. Peter's Hospital was designated as a Magnet organization in 2005, 2009, 2015 and 2021 by the ANCC Magnet Recognition Program® and they are now applying for redesignation.

We invite patients, family members, staff, and other interested parties to provide feedback via email or direct mail.

Why is Magnet important?

Magnet recognition acknowledges the invaluable contributions of nurses in all healthcare settings and among all populations worldwide. It is a results-driven recognition that fosters nurse engagement and the role nurses play as interprofessional team members to improve patient outcomes and reduce healthcare costs.

A large green arrow with a black outline, pointing to the right. Inside the arrow, the text "Scan here to learn more about the Magnet Recognition Program" is written in black.
